

CET POST TRADE COURSE

Western Power Service Apparatus Connection Scheme (SACS)

OVERVIEW

This non-accredited course is designed for Western Power accredited electrical contractors and authorised electrical workers to be approved to connect consumers to the Network.

REQUIREMENTS

Applicants must hold a current WA Unrestricted Electrician's Licence and have a letter of approval from Western Power to enrol in this course.

APPLY NOW

Visit cet.asn.au or scan the QR code to find out more about this course!

CONTENT

This course focuses on the practical aspect of testing and connecting service connections. Various training aids and activities are included in the course (e.g. live connections) to enable participants to directly apply the knowledge gained in the workplace.

DURATION

1 day full time.

PRICE

Course fee	\$375
Relevant membership discount fee*	\$356
Subsidised fee	\$127

**Relevant Membership discount will be applied to the full fee. CET will verify membership eligibility.*

The CTF provides funding support for training of eligible workers in the construction industry. We acknowledge the support of the CTF in reducing the costs of training for eligible workers.
